# Tire Pressure Worksheet

1. Locate the tire pressure sticker for your car. It is usually on the of the driver's side doorjamb. Copy the "Cold Tire Inflation Pressure" here:

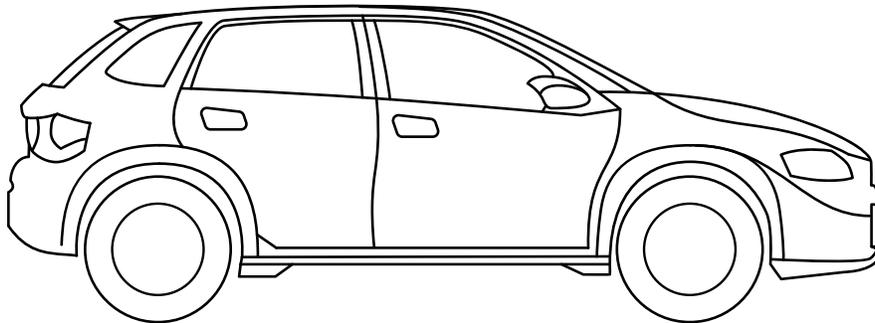

Cold Tire Inflation Pressure	
Front	_____ psi
Rear	_____ psi

2. Using a tire pressure guage, measure the actual air pressure of all four tires and record the measurement on the chart.

Left Front \_\_\_\_\_

Left Rear \_\_\_\_\_

Right Rear \_\_\_\_\_

Right Front \_\_\_\_\_

Total number of underinflated (>3 psi) tires: \_\_\_\_\_
